Resolution #26-79 –Resolution of Commendation

On motion of Commissioner Matteson, seconded by Commissioner Palmer, the following resolution was adopted: 5 Ayes; 0 Nays

WHEREAS, on Saturday, July 18, 2026, a severe and highly localized storm struck the Village of Victor and surrounding areas, causing extensive damage to trees, utility infrastructure, roadways, residences, and other property and creating numerous immediate threats to public safety; and

WHEREAS, the storm generated seventy-six calls for service within a twenty-four-hour period, including sixty-four calls during the first two hours following the storm, creating an exceptionally intense and concentrated demand for emergency services; and

WHEREAS, nineteen Victor Fire Department volunteer and career firefighters responded to this exceptional call volume, assessed damage, prioritized incidents, addressed roadway obstructions, and identified and mitigated hazards throughout the affected area; and

WHEREAS, Victor Fire Department personnel established safety perimeters around downed and potentially energized electrical lines and coordinated with Rochester Gas and Electric until utility hazards could be evaluated, isolated, and made safe; and

WHEREAS, the Victor Fire Department worked closely with Bushnell's Basin Fire Department, Town and Village public works and highway personnel, Rochester Gas and Electric, and other community partners to maintain emergency access, assist in clearing roadways, control hazards, and protect residents and property; and

WHEREAS, despite dangerous and rapidly changing conditions and the demands of a sustained weekend response, these firefighters performed their duties with professionalism, sound judgment, teamwork, and an unwavering commitment to the

Victor community, reducing the risk of injury, supporting the restoration of safe conditions, and exemplifying the highest traditions of the fire service; and

WHEREAS, the Board of Fire Commissioners desires to formally recognize the extraordinary dedication and service demonstrated by the members of the Victor Fire Department during the July 18, 2026, severe weather emergency; now, therefore, be it

RESOLVED, that the Board of Fire Commissioners of the Victor Fire District hereby commends the nineteen volunteer and career firefighters identified in Attachment A, attached hereto and incorporated herein, for their exceptional performance, steadfast devotion to duty, and extraordinary service to the Victor community during the July 18, 2026, severe weather emergency; and be it further

RESOLVED, that the Board extends its sincere appreciation to Bushnell's Basin Fire Department, Town and Village public works and highway personnel, Rochester Gas and Electric, and all other agencies and individuals whose cooperation contributed to the safety and recovery of the community; and be it further

RESOLVED, that this Resolution of Commendation be entered into the official records of the Victor Fire District as a lasting expression of the Board's gratitude and the community's respect for those who answered the call when their service was needed most.

TABLED - Resolution #26-XXX – Authorization to Enter into Lease Agreements

On motion of Commissioner _____, seconded by Commissioner _____, the following resolution was adopted: ____ Ayes; ____ Nays (____); ____ Abstain

WHEREAS, in Resolution #25-93, the Board of Fire Commissioners entered into a contract with the Town of Victor for Fire Protection District No. 2;

WHEREAS, under the Town of Victor Fire Protection District No. 2 contract, the Town of Victor will provide the District with access to certain buildings and equipment dedicated to fire protection;

WHEREAS, an itemized inventory of the buildings and equipment subject to the proposed Lease Agreements has been prepared and provided to the Town and the District for asset-control, insurance, accountability, and recordkeeping purposes;

WHEREAS, the Fire District Attorney has reviewed two proposed lease agreements, entitled "Fire Stations Lease Agreement" and "Equipment Lease Agreement," and has advised that the District is authorized to enter into such agreements pursuant to Town

Law §176(9), (13), and (14), and that the agreements are acceptable as to form and legal sufficiency;

WHEREAS, the Board of Fire Commissioners has reviewed the proposed leases and based upon the advice of District counsel has determined that all procurement, fiscal, and contracting requirements applicable to the proposed Lease Agreements have been satisfied;

WHEREAS, after due consideration, the Board of Fire Commissioners find the leasing of these buildings and equipment is in the best interest of the Victor Fire District and is needed for the safe and efficient operation of the Fire District; and,

WHEREAS, the Board has determined that the consideration and other mutual obligations set forth in the Lease Agreements are fair and reasonable in light of the public benefits conferred and the parties' respective obligations under the Fire Protection Agreement; now, therefore, be it

RESOLVED, that the Board of Fire Commissioners hereby approves these lease agreements with the Town of Victor for the consideration stated therein;

RESOLVED, that the Fire Chief is authorized to inspect the Town-owned equipment leased to the District pursuant to the Equipment Lease Agreement and identify equipment that is no longer operationally required by the District; and, subject to the terms of the Equipment Lease Agreement, to coordinate the return of such Town-owned equipment to the Town, provided that each such return is documented by a written inventory reconciliation by the Treasurer and reported to the Board of Fire Commissioners at its next regular meeting; and be it further

RESOLVED, that nothing herein shall authorize the sale, transfer, return, or other disposition of property owned by the Victor Fire District except in accordance with Town Law §176(23), applicable District policies, and further action of the Board when required by law;

RESOLVED, that this resolution takes effect immediately; and,

RESOLVED, that the Chairman of the Board of Fire Commissioners is authorized and directed to execute the Lease Agreements in the forms presented to and approved by the Board, and to take such ministerial and administrative actions as may be reasonably necessary to implement this resolution, provided that no material amendment to either Lease Agreement shall be made without further approval of the Board.

Resolution #26-91–Authorization to Accept Temporary Preferred Vendor

On motion of Commissioner Palmer, seconded by Commissioner Keyes, the following resolution was adopted: 5 Ayes; 0 Nays

WHEREAS, by Resolution #2025-067, the Board of Fire Commissioners authorized the Victor Fire District to enter into an agreement with Emergency Vehicle Service LLC, also identified as evsr911, for apparatus maintenance following the procurement process described in the District's records;

WHEREAS, on July 18, 2026, the District received written notice that Emergency Vehicle Service LLC would discontinue providing services to the District effective immediately;

WHEREAS, the unexpected discontinuation of service has left the District without its regular apparatus-maintenance provider while maintenance, testing, and repair work remains outstanding;

WHEREAS, the District Treasurer has contacted four local vendors for pricing for apparatus maintenance as described in Appendix I;

WHEREAS, the District has identified the specific apparatus and work requiring prompt attention in Appendix I, including overdue pump testing, pump service, aerial testing or service, and mechanical, electrical, sensor, and related safety issues;

WHEREAS, the Board finds, based upon the information supplied by the Fire Chief and District personnel, that delaying the inspection, testing, maintenance, and repair work identified as immediate in Appendix I could impair the operational readiness of District apparatus and could adversely affect the safety of firefighters, the public, and District property; and

WHEREAS, the District Treasurer solicited pricing and availability information from four qualified apparatus-maintenance vendors, the results of which are set forth in Appendix H; and

WHEREAS, after considering price, qualifications, certifications, availability, response time, familiarity with fire apparatus, and ability to perform the required work, the Board finds that Peryea Apparatus Repair is the appropriate vendor for the immediate mechanical work and that Firematic Supply Company is the appropriate vendor for the immediate pump and aerial testing and service;

WHEREAS, the Board has considered the reasonably expected aggregate amount of apparatus-maintenance and repair services to be procured during the applicable twelve-month period and has determined that the procurement is below the GML \$103 bidding threshold and complies with the District Procurement Policy; and

WHEREAS, the Board finds that the interim use of two vendors is based upon their respective qualifications and specialized scopes of service and is not intended to divide or split a procurement to avoid competitive-bidding requirements; now, therefore, be it

RESOLVED, that the Board of Fire Commissioners hereby authorizes an interim contract with Peryea Apparatus Repair for the mechanical inspection, maintenance, and repair work identified in Appendix I, at the rates set forth in Appendix H;

RESOLVED, that the Board of Fire Commissioners hereby authorizes an interim contract with Firematic Supply Company for the pump and aerial testing, inspection, maintenance, and service work identified in Appendix J, at the rates set forth in Appendix I;

RESOLVED, that no repair or additional work outside the scope of Appendix J, shall be authorized without further approval by the Board of Fire Commissioners, except as otherwise specifically permitted by law and the District's Procurement Policy;

RESOLVED that the Board of Fire Commissioners directs the District Treasurer, District Secretary, Fire Chief, and District counsel are directed to prepare specifications and procurement documents for competitively procuring apparatus-maintenance services beginning in 2027, and to present the proposed solicitation to the Board for approval at its next available regular or special meeting; and

RESOLVED, that this resolution shall take effect immediately.

On motion of Commissioner Palmer, seconded by Commissioner Keyes, the following resolution was adopted: 5 Ayes; 0 Nays

RESOLVED, that pursuant to Section 6-g of the General Municipal Law, as amended, the Victor Fire District does hereby authorize the transfer of a sum not to exceed \$90,000 from its Equipment Repair and Replacement Capital Reserve Account to the District's General Operating Account for continued Fire District operations including the acquisition of a replacement of an SCBA fill station for Fire District purposes and services related thereto.

No expenditure shall be made except upon authorization of the Board; and it is further

RESOLVED, that this resolution is subject to a permissive referendum as provided by Section 6-g of the General Municipal Law.

Resolution #26-94 -Motion to Approve Budget Transfers

On motion of Commissioner Palmer, seconded by Commissioner Matteson, the following resolution was adopted: 5 Ayes; 0 Nays;

WHEREAS, to maintain balanced budget lines within the 2026 budget, Treasurer McAdoo recommended inter-budget transfers as fully described in Attachment J and,

WHEREAS the Board of Fire Commissioners have reviewed and discussed the transfers and found they are consistent with good financial practices; now, therefore, be it

RESOLVED the Board of Fire Commissioners approve the inter-budget transfers as shown.

Resolution #26-95 –Approval of High-Deductible Plans and HSA Contributions

On motion of Commissioner Keyes, seconded by Commissioner Palmer, the following resolution was adopted: 5 Ayes; 0 Nays

WHEREAS, the Victor Fire District currently provides group medical insurance benefits to eligible employees; and

WHEREAS, the District and its Medical Benefits Agent have reviewed all reasonable plan offerings to provide comprehensive insurance coverage to members that results in the best value and cost savings to the District, the results of which are shown in Appendix K; and,

WHEREAS, the Board of Fire Commissioners desires to add the recommended eligible high-deductible health plan, as an additional medical insurance option for District employees; and

WHEREAS, employees enrolled in an eligible high-deductible health plan may establish a Health Savings Account (“HSA”); and

WHEREAS, the District desires to contribute \$400 to the HSA of each eligible employee following the completion of each calendar quarter, provided the employee remains actively employed by the District and enrolled in an eligible high-deductible health plan through the last day of that quarter; now, therefore, be it

RESOLVED that the Board of Fire Commissioners approves the addition of Excellus Gold 6 as a medical insurance option effective October 1, 2026, and,

RESOLVED that the District shall contribute \$400 to the HSA of each eligible employee after the end of each calendar quarter, provided the employee remains actively employed by the District and enrolled in an eligible high-deductible health plan through the last day of that quarter; and,

RESOLVED that no contribution shall be due for a calendar quarter in which the employee's employment or enrollment in an eligible high-deductible health plan ends before the last day of the quarter; and,

RESOLVED that the District Treasurer is authorized to take all actions necessary to implement the additional medical plan and HSA contributions.
